WE WILL BE PLAYING OUTSIDE IN ALL WEATHERS

Please come prepared by sending your child with a named bag containing:

Security

Whilst at Pebbles, in addition to their New Wine identification (a wristband in the case of Pebbles children), each child will wear a self-adhesive label stuck to the back of their clothing. This will be completed by their key-worker and will have the child's name, their key-worker's name, group and any essential medical information i.e. Epi-pen user.

Daily Registration and Collection

There will be four entrances, clearly marked. Please queue at the door designated for your child's Colour Group.

Please register your child at 8.45am:

- You will be directed to your child's Colour Group by one of the Welcome Team.
- On arrival at your child's group, let the Colour Group Leader know which venue you plan to spend the morning in. They will then give you your child's Security Card.
- Please keep the Security Card in a safe place. You will need to hand it in to your Colour Group Leader when your child is collected.
- Please observe the one-way exit system - the Welcome Team will guide you.

Please collect your child promptly at 12 noon:

- Bring your child's Security Card and your badge with you. The Welcome team will check this on the door.
- You will be directed to your child's Colour Group Leader.
- Please give your security card to the Colour Group Leader **before** collecting your child. They will sign your child out and hand over your child.

We've moved location!

This year we're next to the White camping area, close to the Arena. There are thousands of people at New Wine so we are aware of the need for excellent security. This is why we insist on the **NO SECURITY CARD, NO CHILD** policy. Please help us to keep your child safe and secure by co-operating with us. If you lose your Security Card then please speak to the Pebbles Management Team.

Toileting

It would help us greatly if your child has been taken to the toilet and is dry before arriving at Pebbles each morning. We realise not all children will be toilet trained, and we are able to change wet pull ups if your child is still wearing them (please ensure there are spares in their bag). We are not able to change soiled pull ups, so in this instance we will contact you to come to Pebbles and change your child.
